

日本小児外科学会 会員の皆さま、

日頃よりの激務、大変お疲れさまでございます。そんな日々、心身ともにストレスフルな日常からひと時でも離れてみては如何でしょうか？ 来年の PAPS (太平洋小児外科学会) は台湾の台南で開催されます。そして Local Organizer の先生方から、友好国である日本の会員の皆さまを歓迎する下記メッセージが届きました。

Dear Japanese Friends:

On behalf of the Organizing Committee of the PAPS 2020, I am with immense pleasure to invite you to participate in the 53rd Annual Scientific Meeting of the Pacific Association of Pediatric Surgeons (PAPS 2020) held in Tainan, Taiwan on April 19~23, 2020.

Tainan City is one of the best reputable cities in Taiwan for its convenience, safety, and enriched natural and cultural attractions; it has been named among the best travel destinations in Asia by TripAdvisor and Lonely Planet. Here we have numerous monuments such as Confucian Temple, Chihkan Tower, An-Ping Castle, Eternal Golden Fortress, etc. for you to feel the traditional charms. We also have sightseeing spots including National Museums, Chimei Museum, Crystal Church, Blueprint Park, Salt Field, and Sicao Green Tunnel for you to easily plan a part and leisure tour. Furthermore, the fabulous tasty delights, especially beef soup, salty porridge, Milk-Fish dishes, bowl cake, Dan-Zai Noodle, oyster omelets, flower pudding, almond junket, etc. await for you to discover and taste. As for the conference tour, we will take you deep into the ancient Red Cypress forest in Ali Mountain National Forest Recreation Area. Prepare to enjoy the hiking, the mountain railway, and the forest bath within the phytoncides released from those thousand-year-old trees. Together with all these amazing attractions, we offer our wholehearted welcome and sincerely hope to make your visit an exceptional and memorable Taiwan experience.

Best Regards,

Local Organizing Chair of PAPS 2020 Meeting
